## IMPORTANT REMINDER - RESCO INSURANCE DEDUCTIONS NOW DIRECTLY THROUGH RPP

Payment processing for RESCO Insurance is transitioning to their insurance broker, Rico, Pfitzer, Pires (RPP). If you purchase insurance through RESCO / RPP, please contact them by November 10th 2026 to establish your method of payment. December 1st 2026 will be the last date for RESCO insurance payments directly through StanCERA pension deductions.

Detailed information about this transition can be found in RESCO'S Special Edition newsletter at www.rescotoday.org. RPP can be reached at 800-399-7473 for additional information and assistance.

If you are enrolled with insurance through the Early Retiree program, your deductions will continue to be taken directly through the pension until you are no longer eligible for the Early Retiree program.

## CYBER SECURITY TIP: 2-FACTOR AUTHENTIFICATION

To help keep your account safe and secure, the StanCERA Member Portal offers 2-Factor Authentification. This adds an extra layer of log-in protection to your account. You can choose to receive text codes or download an Authenticator App.

Alert StanCERA if you ever receive an authentification code when you are not attempting to log into the Member Portal.
